Dear Ms. Bose:

On July 6, 2010, ETC Tiger Pipeline, LLC (“ETC Tiger”) filed with the Federal Energy Regulatory Commission (“Commission” or “FERC”) in the above mentioned docket, a Treatment Plan to avoid a previously unidentified cemetery along the ETC Tiger Pipeline Project route. On July 15, 2010, ETC Tiger submitted for filing a revised Treatment Plan for this same previously unidentified cemetery.

ETC Tiger has attached for electronic filing agency clearance letters from the U.S. Fish and Wildlife Service – Louisiana Field Office, and from the State of Louisiana, Division of Historic Preservation for the routing of its pipeline around the cemetery as discussed above. ETC Tiger respectfully requests that the Commission issue an approval to route around the cemetery, and to restore the cemetery and surrounding area impacted by cultural investigations.

The attached agency letters contain sensitive information, including location, regarding archaeological resources. ETC Tiger is filing these agency letters as **Privileged Information** pursuant to Section 388.112 of the Commission’s regulations. ETC Tiger requests that the attached filing being submitted herein be accorded privileged treatment.

This filing is being submitted electronically to the Commission’s eFiling website pursuant to the Commission’s Order No. 703, Filing via the Internet Guidelines issued on November 15, 2007 in FERC Docket No. RM07-16-000.
