RE: Authorization to Use Additional Contractor Yards and Temporary Workspaces

Dear Mr. Allen:

In accordance with environmental condition No. 5 of the Federal Energy Regulatory Commission's April 7, 2010 *Order Issuing Certificates* (Order), I approve ETC Tiger Pipeline, LLC's (ETC Tiger) May 27, 2010 request to use the following contractor yards in association with the construction of the ETC Tiger Pipeline Project:

- Texas County Route 306 Yard;
- Stagecoach Road Yard;
- I-20 Yard; and
- Sibley South/Sibley Equipment Yard (east portion).

In addition, I approve ETC Tiger's request to use two 25-foot by 150-foot additional temporary workspaces at mileposts 44.68 and 44.72 on tract TH-RR-402.00.

We have confirmed receipt of all federal authorizations relevant to the approved activities. Also, please note that this approval does not allow the use of areas other than those specified above. I remind you that ETC Tiger must comply with all applicable remaining terms and conditions of the above-referenced Order, as well as procedures stipulated in its previous filings. If you have any questions regarding this approval, please contact Mr. John Wisniewski at (202) 502-8052.

Sincerely,
